

Choose an MCO that:

- serves your city or county
- has the doctors, extra benefits, or special health care services you want.

Ask yourself these questions:

- Do my doctors and other healthcare providers belong to one of these plans?
- Does the hospital that I use work with one of these plans?
- Does one of the MCOs have any extra benefits that I want?
- Can one of the MCOs help with any special health care needs I may have?
